To Whom It May Concern:

I would highly recommend Laszlo Bodor and B & L Painting Inc. to help with all your painting, interior and exterior maintenance projects.

I have been working with B & L Painting Inc. over the last fourteen years on all scales of projects, their staff is always very professional, site supervision is excellent and their standard of work is outstanding!

To add to our satisfaction, projects continue to be completed on time and within our budget, another accomplishment by Laszlo and his team at B & L that is more and more infrequent in the industry these days.

Dealing with Laszlo is always a pleasure as he has an extremely professional attitude and is always open to suggestions. Furthermore, we find Laszlo to be honest and reliable and always deliver on what he promises. I am sure that anyone who employs B & L Painting will not be disappointed. Should you have any questions regarding this letter, please feel free to contact me.

Yours truly,
